Call Questions

Will there be a Club Leadership Conferences again?

Yes, planning a Club Leadership Conference is on our agenda. We recognize the desire for Club Leadership to connect with one another and learn about best practices and initiatives at the School. The model may evolve; in the meantime, we are planning on hosting virtual meetings to help you all stay connected.

What is Sarah's vision? What do you see happening three to five years from now?

We know that Clubs' model needs to evolve and that some aspects of the current way we run and manage our clubs may be outdated. We also need to improve our technology platforms to support our alumni body. We want to think about how we can creatively engage and seamlessly connect HBS alumni around the world? We look forward to partnering with you to achieve this!
